Stockholm, August 7, O. S.

LAST Week the Nobles deliberated upon the Sentence which has been pronounced on M. Daleen and Brotzenius. There were ſome who propoſed that the Sentence might be mitigated; but the Major Part maintained, that a Sentence given by a Commiſſion of all the States of the Kingdom, and approved of by the States, ought to remain firm. That Matter is not yet quite finiſhed, but in all Appearance the Sentence of the Commiſſion will be executed according to its Tenour. The States were this Day aſſembled, and have determined finally to elect but two Senators. The Nobility have conſtituted 12 Electors, who are obliged upon Oath to chuſe other 50 Electors which they ſhall judge moſt proper for the Nomination of the two Senators to be elected. The 50 will be choſen To-morrow or next Day; and it is generally thought the two new Senators will be, the Marſhal of the Diet Baron Lagerberg, and Governour Conrad Ribbing.
